REGIONAL KILLER BOYDEN GRAY HUMILIATION AND HARASSMENT OF YONKERS HERTZ ENTIRE LOCAL STAFF BY ENJOINING AN INVISIBLE MANAGER NAMED RANDY IN HIS CRIMINALLY SENILE NO DATABASE RECORD OF HIS KILL SWITCH DISABLED CAR, TO TRY TO SET ME UP FOR A MISSING CAR THAT HERTZ EMERGENCY ROAD SERVICE PICKED UP VIA CLAIM NUMBER 0220135246, COUPLED WITH THE TOW COMPANY REFUSING TO TRY TO ENABLE/REPAIR THE ELECTRICAL KILL SWITCH DISABLED CAR IN CONTRAVENTION TO HERTZ PUBLISHED POLICY TO RECTIFY THE MECHANICAL FAULT THAT RENDERS THE HERTZ VEHICLE IMMOBILE OR UNSAFE TO DRIVE. SEE ATTACHED EXHIBITS. REGIONAL KILLER BOYDEN GRAY IS CRIMINALLY USING HERTZ FOR HIS 18 USC SEC 371, CONSPIRACY TO OFFEND AND DEFRAUD HERTZ, 18 U.S. CODE § 873 – BLACKMAIL, 18 U.S.C. §241 CONSPIRACY AGAINST RIGHTS, AND 18 U.S. CODE § 1117, CONSPIRACY TO MURDER CRIMES, MURDER BY PROXY KILL SWITCH HERTZ DISABLE CAR PROGRAMMINGS

Dear Criminal Justice and Hertz Officials:

Foremost, I want to state that the Yonkers Hertz staff have provided exemplary customer services to me from the past to the present. The workers have been very professional. However, the incident of May 25, 2022 was effectuated, and such put the workers in an abnormal situation via an invisible manager telling them to handle the above incident in contravention to basic customer safety and customer appreciation protocol.

May 25, 2022 a new Hertz car rental contract was paid for, for May 25, 2022 to June 1, 2022. When I left the counter and entered the car, the car was disabled. I went back inside reported the car disablement and the car battery was jumped and the car re-started. I was assured that if the car mechanical error disablement problems, I had nothing to do with, continued, to call Hertz emergency road service for an exchange car. It was near closing time.

May 25, 2022 about 10:10 pm, in the middle of the highway, on Boston Post Road in the Bronx, the car was disabled. The car stopped working while I was driving. Based on research and my experience in the car, the car kill switch was used. I say this because the car shut off while I was driving on the highway. This put my life in danger. The car was disabled. The radio worked, the lights worked, it was not the battery. Please see exhibits 1 and 2.

I immediately called Hertz emergency road service. The car was disabled in the middle of the highway. This was the second time in one day the kill switch was used to disable the car. I felt like someone was criminally accessing and using the kill switch car disablement to harm or kill me via proxy. A criminal senile 80-year-old lawyer, named C. Boyden Gray, ordered the kill switch usage in an Enterprise car rental for the same murder by proxy crimes, harassment, terrorization and fraudulent billing. Please see exhibit 9.

I called Hertz emergency road service and was given claim number 0220135246. I looked up Hertz procedures for emergency road side assistance and it said the below:

If your Hertz vehicle experiences a breakdown due to a mechanical failure (excluding vehicles involved in an accident), roadside assistance will attend to rectify the mechanical fault that renders the Hertz vehicle immobile or unsafe to drive.
https://www.hertz.com/rentacar/reservation/reviewmodifycancel/templates/rentalTerms.jsp?KEYWORD=SERVICES&EOAG=AYQ#:~:text=If%20your%20Hertz%20vehicle%20experiences,immobile%20or%20unsafe%20to%20drive

Please note the first thing I said to the tow company agent was please see if you can find, repair, and rectify the problem. The tow agent said he is not a mechanic and he was ordered to tow the car, regardless of any easy repair. He refused to try to rectify the mechanical fault in contravention to Hertz's above advertised policy. This was strange but let me know this was an ordered kill switch script, with orders to seize the car. In addition, to the tow agent refusing to rectify the mechanical fault that rendered the Hertz vehicle immobile, he refused to give me the towing company business card. I explained that I needed to know to who and where the Hertz car was going. I demanded some type of verification and the tow agent text me exhibit 3, which is not any type of business record and or business card. He sent a text saying Norbay.

A stranger drove me home and the Hertz roadside assistance agent name Shakeena said I could get a lift to get an exchange car in the morning. May 26, 2022, I called The Yonkers Hertz in the morning to arrange for a lift and exchange car. I was told that a new manager named Randy said the disabled car was not logged in the data base so a lyft and an exchange car could not be provided at this time. I waited to the afternoon to see if the Hertz kill switch disabled car was in the database. I called back and was told that the disable car's whereabouts is not in the database. I explained that such negligence has nothing to do with the customer and or the paid for contract of 578075260, which a car was paid for from May 25, 2022 to June 1, 2022. I was being denied a lift and the exchange car that was paid for based on this new invisible manager named Randy database negligence concoction. The invisible rulings and the negligent database concoction exemplified C Boyden Gray known as Regional Killer Boyden Gray replicated crimes, harassment, and criminal usurpations again, in Hertz.

I took a taxi to Hertz in Yonkers with my paid for contract for a car from May 25, 2022 to June 1, 2022. Again, I was told the Hertz kill switch disabled car was not in the data base so the current contract could not be used for the paid for exchange. Consequently, I was forced in the midst of my paid for rental car contract, to use my rewards points for an exchange car, for one day, in hopes that the Hertz kill switch disabled car would show up in the Randy manager's database.

Please note, before taking a taxi to Yonkers Hertz, I also called the Hertz emergency road service number and gave them the above claim number. I sought to find the whereabouts of the Hertz kill switch mechanical error disabled car. The Hertz emergency road service agent said the mechanically disabled Hertz rental car was in the database and it was located at the Hertz facility at the JF Kennedy airport.

Despite sharing this information, I was still being told about the invisible manager's no data base record of the towed, kill switch, Hertz car. Not only am I sensing a criminal missing car set up, but I am also feeling a criminal damage car set up, by the alleged unknown whereabouts of the Hertz kill switch disabled car, which was seized, in contravention to Hertz rental car repair policy.

These non-procedural and conspiratorial acts are what required the writing of this Hertz incident report. I feel Hertz is being criminally used for criminal senile set ups. As such, I am submitting this incident report for a clear record of what occurred and what is going on with respect to the use of the Hertz rental car for kill switch disabling, which I call murder by proxy programming, inflicted and unwarranted harassment, criminal invisible database ruling usurpations in the Yonkers Hertz office, and newly concocted fraudulent billing, stating rental record 578075260 was full with gas when it was not.

Please note the kill switch disabled car was washed the day before the kill switch disabling, the car was released to me with a ¼ gas tank, yet it was towed with ½ tank of gas I paid for. The Hertz car was in the same good condition it was rented to me minus the kill switch mechanical error. It is my professional contention, that Regional Killer C Boyden Gray is again criminally using Hertz rental car for his personal senile murder by proxy programming's via kill switch repeated disabling of the car while driving and on the highway, for his envy and hate base discriminatory false arrests programming's, his bank ordered financial deregulation crimes, his paid money from the top to incorporate his criminal senile discriminatory and retaliatory crimes. Regional Killer Boyden Gray is criminally using Hertz rental car as one of his criminal satanic and revenge for hire enterprises.

In fact, it is my professional contention that he has inflicted these crimes in retaliation to reporting and documenting his criminal usurpations and murder by proxy programming's in NYS and city agencies, such as:
MAY 20, 2022 LETTER TO NYS GOVERNOR HOCHUL AND US ATTORNEY FOR SOUTHERN DISTRICT APPEAL FOR CRIME STOP HELP W MAIL AND COPY RECEIPTS
https://ia902500.us.archive.org/27/items/may-20-2022-letter-to-nys-governor-hochul-and-us-attorney-for-southern-district-/MAIL%20RECEIPTS%20%20AND%20FINALEE%20MAY%2020%202022%20LETTER%20TO%20NYS%20GOVERNOR%20AND%20OTHER%20PUBLIC%20OFFICIALS.pdf

In summary, please see the reference section and calculate the Regional Killer Boyden Gray name aligned murder by proxy killings he has programmed. He is criminally usurping authority, paying off entities, incorporating invisible managers and criminally using Hertz rental car agency as his personal, criminal senile, criminal enterprise for his sexist, racist, revenge for hire, and murder by proxy, programming's. He is criminally exploiting, harassing, enjoining, and blackmailing good-standing Hertz agents to partake in his stale, antiquated, criminal senility programming via their paychecks.

Hertz officials, please review the record in this incident. The kill switch disabled car, the invisible manager no disabled car in the Hertz data base rulings, the murder by proxy programming via the turning off of the car on the highway, the tow agent refusal to try to repair the car, the tow agent refusal to produce a towing company identification document, the fraudulent gas recordings, and the malicious, enjoinment of exemplary Yonkers Hertz workers in this criminal programming, all exemplify, Regional Killer Boyden Gray, replicated, criminal senile murder by proxy programming's and criminal harassment of Hertz workers and me, for his criminal senile revenge for exposing his crimes and killings, that have been inflicted on millions of innocent people.

In closing, I have attached 9, exhibits. Please note Regional Killer Boyden Gray is using many criminal means to make healthy good-standing drivers' car less for his regional killings and because eugenic assassination programming is easier when people are stationed. In addition to such, he wants me car less for my upcoming birthday and to try to stop me from transporting my 80-year-old aunt. He is criminally senile, and I pray Hertz and criminal justice officials will stop these Regional Killer Boyden Gray name aligned, criminal usurpations, murder by proxy programming's, and uncivilized, criminal senile, discriminatory practices, all programmed to meet Regional Killer Boyden Gray's criminal senile satanic killing, destruction, and devour agenda.

Hertz car rental has been a decent experience up to recently, and it is my prayer, that these Regional Killer C. Boyden Gray criminal usurpations, inflicted crimes and attempted murders, will be stopped on behalf of Hertz and public safety. Please note this incident report on the record. Hertz officials, please stop the criminal and deadly use of kill switch devices on Hertz cars. Please make sure these crimes are stopped, my money respected, and a contract is drafted including the extra day I used my rewards points for. Please make sure Regional Killer Boyden Gray will not further use the exemplary Yonkers Hertz agents for his criminal senile deadly and harassing programming's. Please make sure my liberty right to rent a safe car, free from programmed senile harassment, is respected. Should further information be needed, please let me know. Thank you.

Respectfully submitted,

Miriam Snyder, Hertz Good-standing Long-Term custome
